7-Eleven Scholarship Funds Available by Agency

- 1) The CUPA Forum Board made every effort to ensure the information in the chart below is accurate and is audited every July. If you have any questions, please contact Sheryl Bald (530)676-0515. The complete list of 7-Eleven stations involved in the settlement is also posted on the CUPA Forum website (www.calcupa.net).
- 2) Additional funds have been available July 15 each year in 2005, 2006, 2007 and 2008. The amount posted to each jurisdiction is \$156.25 each July for each station.
- 3) The funds must be expended by October, 2009
- 4) For sites within the jurisdiction of both a CUPA and a PA, the CUPA and PA must submit a document in writing to the CUPA Forum board, signed by both the CUPA and the PA, specifying how the funds are to be divided, if the CUPA and the PA cannot come to an agreement regarding how the funds are to be divided, the CUPA Forum Board will make the decision.
